With the words "There is no place like home", and three clicks of her ruby red shoes, Dorothy left OZ. When she returned, her home had not changed, she had. In fact, coming home, she brought a little bit of OZ with her.

Well the Riggs have returned back from a jaunt of some 5000 kilometres, and have experienced many new things, including droughts and flooding rains. But, far from coming home to a world that has stayed the same, things have moved on. Moved on because our God is a God of movement, of recreation, of renewal.

I have heard stories of coming to faith, of people welcomed, of word expressed and community gathering, of treasure hunts, grant nights, of songs sung, of relationship. In short, it is wonderful to be home for truly, the God who is present and alive in far off yet to be explored places, is the God who is present here; in the familiar and every day.

This week we head further in the #SOBLESSED life, a life where asking, seeking and knocking never ceases to reveal more than we could imagine, about ourselves and the life Jesus invites us into. I hope you can join us as we look at Matthew 7:7-12, "*Blessed are the Father's Children.*"

Grace and Peace, Pete.
